Essential Oil Blend

Item No. 41243 Size: 5 ml

Product Summary

One Purpose™ essential oil blend celebrates the strength that comes from working together for a higher goal. Specifically, this blend is dedicated to the women of the world who lift themselves and their families out of poverty with their skilled artisanal work. These inspirational and entrepreneurial women work as Young Living partners, making handcrafted, artisanal jewelry and gifts for Young Living. Since 2017, Young Living orders to these artisan collectives in 10 different countries have provided over 800,000 fair-pay work hours to over 10,000 artisans, who have made nearly 350,000 individual hand-crafted items.

The One Purpose label came about as a collaborative effort between over 20 women who are part of Mabira Collective in Uganda, with the final design created by Diana Laruni, an aspiring young Ugandan artist. While many of these women experienced poverty, lack of education and abuse in their pasts, they have banded together with the unified purpose of providing a better life for their children. The design is a combination of beads representing their handmade jewellery craft, leaves and water representing the earth from which many of their materials are derived and a circle representing their circle of women coming together with One Purpose.

One of the Mabira artisans, Eve, used to live on the edge of subsistence and was just one setback away from having nothing. Sometimes she earned enough to provide one meal a day to her three children but sometimes they went without.

All of that changed when she joined Mabira Collective. She learned how to make beautiful jewellery and for the first time, was paid what she deserved. *"I have three children who are my world,"* Eve says. *"Before Mabira, I was only able to think about how I could find food for them each day. Now I look to the future and am working to own a home. Because of my hard work, my children have enough to eat and are enjoying going to school."*

For each wholesale purchase of One Purpose, 35 per cent will be donated to The D. Gary Young, Young Living Foundation to support its efforts to protect and empower the world's youth. This assistance will help them to support their families, communities, and break the bounds of poverty.
